Wo-oh! [x8]

I do not believe in God
That doesn't mean I'm a lesser person
I still have a heart
And I know what it feels like to be broken

I may not believe in Jesus
But I do believe in sacrifice
Life does not always stand reason
No one ever gets a chance
'Til they're out of time

I'd rather risk my fate
Then lose my faith
The lovin', the hatin'
The consenceapating
The chaos that comes
Raise The Alarm

We mean it
We'll die
Consence Denied
The Chaos that comes
Raise The Alarm

I may not believe in regrets
But I believe in self assurance
Some things I'd rather forget
We see what we choose and
We choose what we see to believe

In the name of the father,
the son,
and the holy ghost
I'm not concerned with religion
After all that whats inside
That is Smoke

I'd rather risk my fate
Then lose my faith

The lovin', the hatin'
The consenceapating
The chaos that comes
Raise The Alarm

We mean it
We'll die
Consence Denied
The Chaos that comes
Raise The Alarm

I'd rather risk my fate
Then lose my faith

I'd rather risk my fate
Then lose my faith
The consenceapating
The chaos that comes
Raise The Alarm

We mean it
We'll die
Consence Denied
The Chaos that comes
Raise The Alarm

I may not believe in regrets
But I believe in self assurance
Some things I'd rather forget
We see what we choose and
We choose what we see to believe

In the name of the father,
the son,
and the holy ghost
I'm not concerned with religion
After all that whats inside
That is Smoke

I'd rather risk my fate
Then lose my faith
The lovin', the hatin'
The consenceapating
The chaos that comes
Raise The Alarm

We mean it
We'll die
Consence Denied
The Chaos that comes
Raise The Alarm
