[CHORUS] Reborn in another place, Vanishing without a trace Daylight in another time, Disappear without a sign

[VERSE 1] Restore what we had before Banishing an expired law Clear view of a fallen dream The one that we will never see

We're waiting a lifetime to make up your mind Wait for the right time for your moment to arrive

[CHORUS]

[VERSE 2] THe first light of the first day Can light your path along the way And all you give and all you take And all you fix and all you break

We're waiting a lifetime to make up your mind Wait for the right time for your moment to arrive

[CHORUS]

[VERSE 3] If you hide from yourself, You won't see no-one else If you hide from yourself, You won't see no-one else

We're waiting a lifetime to make up your mind Wait for the right time for your moment to arrive

## [CHORUS]
