(Who's gonna save us?)
(Who's gonna save us?)

It's all around me and
I just don't understand
Seems all out of place now.
And I know it's late,
But you know what they say now.

We're under attack now
Our work is all cut out
Whatever happened to your rights?
And I know it's late
But you know what they say now
(Who's gonna save us)
What they say now
(Who's gonna save us)

So where's the writing on the wall
Who's gonna save us?
Who's gonna provide us?
Who's gonna divide us?
Who's gonna save us?

We're under powered now
Trial devoured now
Step aside make way for the new leader
And it's getting late
But you know what they say now
(Who's gonna save us)
What they say now.
(Who's gonna save us)

So where's the writing on the wall
Who's gonna save us?
Who's gonna provide us?
Who's gonna divide us?
Who's gonna save us?
Who's gonna save us?
(Go!)

(Who's gonna save us?)

(Who's gonna save us?)

It's all around me and
I just don't understand.
It seems all out of place now.
And I know it's late,
But you know what they say now.
(Who's gonna save us)
What they say now.
(Who's gonna save us)
Who's gonna provide us?
Who's gonna divide us?
Who's gonna provide us?
Who's gonna divide?

Where's the writing on the wall?
Who's gonna save us?
Who's gonna provide us?
Who's gonna divide us?
Who's gonna save us?

Lookin for the writing on the wall
Who's gonna save us?
Who's gonna provide us?
Who's gonna divide us?
Who's gonna save us?
(Who's gonna save us?)
Who's gonna save us?
(Who's gonna save us?)
(Who's gonna save us?)
(Who's gonna save us?)
(Who's gonna save us?)
