I was standin' on the wrong side of the tracks  
I went the wrong way and I couldn't get back  
I was heading down the wrong side of the road  
I need someone I was on my own  
I need someone I was on my own

And I don't want to be on my own  
I didn't wanna be left alone  
And I don't want to be on my own  
I didn't wanna be left alone

I needed someone like you  
I needed someone like you  
I needed someoneâ€¦ like you

Now I'm standin' in a place I don't call home  
No longer livin' in the great unknown  
But if you tell me that you don't want me around  
I'll go somewhere that I can't be found  
I'll go somewhere that I can't be found  
If you want me, here with you, then here I'll stay!  
But if you don't then I'll be on my way

And I don't want to be on my own  
I didn't wanna be left alone  
And I don't want to be on my own  
I didn't wanna be left alone

I needed someone like you  
I needed someone like you  
I needed someoneâ€¦ like you

Guitar solo

And I don't want to be on my own  
I didn't wanna be left alone  
And I don't want to be on my own  
I didn't wanna be left alone

I needed someone like you  
I needed someone like you

I needed someoneâ€¦ I needed someoneâ€¦ I needed  
someoneâ€¦  
Like you!

I went the wrong way and I couldn't get back  
I went the wrong way and I couldn't get back  
I went the wrong way and I couldn't get back  
I went the wrong way and I couldn't get back
