Visit "[Astoria Paranoia](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Is there somethin' goin' on around me?  
Is there somethin' I should know?  
The ghost of paranoia slips into my mind  
And the dust, it settles in

It's getting harder to remember  
Just what it is I need to say  
Another shadow in the memory  
I'll never be the same again

So tell me where the fire is  
And why is everybody worrying?  
For all I know I could be losing my mind  
And the dust, it settles in

\*chorus\*  
Whoa(x4)  
Lost inside my mind  
Whoa(x4)  
Lost inside my mind  
\*chorus\*

Is there somethin' goin' on around me?  
Is there somethin' I should know?  
Everything just seems to vanish in the past  
And the dust, it settles in

(chorus)

In my head, long to shed  
Now we all are one(x3)  
Now we all are...

(chorus)

Inside my mind(x3)
