So here I come to save the day  
A regular Joe now on parade  
They say it's the only way, but they  
They only want it when it's there

So here I come to save the day  
The future's here and the past is yesterday  
They say it's the only way they say  
They only want it when it's there  
When it's there

We're not going on a holiday  
We do a lot of work and we don't get paid  
Stand up don't walk away  
Take your pride and swallow, swallow  
Take your pride and swallow, swallow

Life's full of much unwanted waste  
Crime pays and the junkies walk away  
But for husband and the good son  
They speak I'll at ease but they dare not run  
They dare not run

We're not going on a holiday  
We do a lot of work and we don't get paid  
Stand up don't walk away  
Take your pride and swallow, swallow  
Take your pride and swallow, swallow

We're not going on a holiday  
We do a lot of work and we don't get paid  
Stand up don't walk away  
Take your pride and swallow, swallow  
(We're not going on a holiday, hey)  
Take your pride and swallow, swallow  
(Stand up don't walk away, hey)  
Take your pride and swallow, swallow  
(We're not going on a holiday, hey)  
Take your pride and swallow, swallow  
(Stand up don't walk away, hey)  
Take your pride and die
