Sellout, Sellout, selfish lust Gone, no time for games Free will reigns I will to surrender I will take my cross My flesh subjected My spirit rise Focus, Focus Straightway on my God No more needless Cares on temporal No more deception Subtle thoughts Focus straightway on eternal My spirit cries out to you God To live is Christ, to die gain I will not build again Things which I've destroyed I will not Make myself transgressor Hay and stubble Will burn away Only God, only God remains My spirit cries out to you God To live is Christ, to die gain
