Bicasso:

now this a lil doozie
bout my life the movie
how my wife she knew me
but not like the girls on tour
i make music and see this how it change

Luckyiam:

but if you wasn't ready,
i been there before
i seen her from afar,
but im untouchable
brushed on my arm
make uncomfortable
i'm kinda like a player
yep i admit that,
maybe it could work

Bicasso:

but you don't really want that
it's like magic
you can have it
three in one night
then they call it a hat trick

Luckyiam:

well i'm Wayne Gretsky
but way too sexy
if i sees drunk
then she get's naked

Bicasso:

damn that's cold
fine young titter
with her momma at the show
and she wasn't that old

Luckyiam:

ooooold
somebody better hit that
get that
get back
baby we don't need that

Sunspot(Chorus):
she wants me
shocked me
show me what's happenin
she wants me
always ready for action
she wants me
shocked me
show me what's happenin
she wants me
always ready for action

Murs:
i got a restraining order on my ex-girlfriend
we had a fight
she pulled the knife
i'm at the precinct again

Grouch:
Murs, man, i told you bout the groupies
and homie,
that's why i tied the knot
i don't really know why you drive a hooptie
you can have a new benz off the lot

Murs:
put put the D's on this bitch
she pulled the squeeze on my dick
Grouch, my girlfriend's got a girlfriend
i ain't leaving this chick

Grouch:
well if you keep the girl at somethin
despite all the dysfunction
she wanna ride the night
right by your side
so give her what she's wantin

Sunspot(Chorus)
she wants me
shocked me
show me what's happenin
she wants me
always ready for action
she wants me
shocked me
show me what's happenin
she wants me
always ready for action

Murs:

she got me goin crazy
damn near out of my mind
she's got me spendin chips on crazy shit
that chick is that fine

Girl:

he got me goin crazy
damn near out of my mind
he got me spendin chips on crazy shit
that man is that fine

Scarub:

if you're lookin for the one, man, she ain't it
she got that look on her face
like she be smokin that shiiiit
well if you're lookin for some fun
she's the one to be with

Eligh:

i agree
i can see her from the stage in a minute

Scarub:

met her on myspace
led her to my place
fed her my taste
she wasnt a shy date

Eligh:

brown hair with a fly face
she stood about 5'8
too tall for my case
but fuck that, why wait?

Scarub:

she smelt like butter
stretched like rubber
talked real gutter
a freak like no other

Eligh:

so hot undercover
not for your mother
touch her with a 10-foot poll
don't love her

Scarub:

she good for the takin
but don't get caught up

Eligh:

cause she'll break you
then make sure you're never brought up

Scarub:
yeah i'd hit it
i'd quit it
we come
tough love

Eligh:
ya
i admit it
i did it
so what?

Sunspot(Chorus):
she wants me
shocked me
show me what's happenin
she wants me
always ready for action
she wants me
shocked me
show me what's happenin
she wants me
always ready for action

Sunspot:
these girls are crazy
all over me
im the guy you want to see
booty bounced when we get down
nappy dug out thugged out crown
Aesop:
ya king me, girl
singin songs out loud
let me know when you bout to feel that wow
how do we make it to my crib somehow
you put that spell on me right now

Sunspot:
she does that thing to get it done
get me off that cinnabon
run it down
now use your tongue
Aesop:
get that spot
let's have some fun

Sunspot:
they want this badly
yes they do
true i want it bad as you

Aesop:
she wants me bad
and she wants dude
imma just play cool
imma let her choose

Sunspot(Chorus):
she wants me
shocked me
show me what's happenin
she wants me
always ready for action
she wants me
shocked me
show me what's happenin
she wants me
always ready for action
