

Living Sacrifice "In The Shadow"

In the shadow powery
No foe can withstand
Angels lifting up
As the Lord commands
Under His wings shall be found
Refuge and fortress
Not to fear the terror
That stalks in the darkness
In accessible, secret
Place of the Most High
Observe the wicked
Punishment, justify
Dwelling in Christ
(No) evil shall befall
With long life

Salvation enthrall
Spiritual concerns,
Consent of humanity
In His spirit and purpose,
Liberating entry
Particular gloom effected,
Closed hesitation
Not enchanted
By superstitions impressions
Not to fear in the darkness
In the shadow refuge and fortress
