

Living Sacrifice "Nonexistent"

Visit "[Nonexistent](#)" on MotoLyrics.com

Having obtained eternal redemption
Unavoidable position to strengthen
Received the mercy, found the grace
Yielding unflinching love to embrace
Spiritual extraction from hindrance
Existing through Christ there is transformation
Renewal of the mind without condemnation

In accordance, committed soul
Foundation of power, a life indestructible
Abolished guilt, affection immovable
Nonexistent forgiven wickedness
Nonexistent sins remembered no more
Having obtained eternal redemption
Renewal of the mind without condemnation
