Self perception of this reason  
Strive against my heart that's needing  
Accused by this lust of flesh and death world

Born again, born again  
(Life)  
Born again, born again  
(Peace)  
Born again, born again  
(Love)

I am not my own  
I am not my own  
I am not my own  
I am not

Cannot contain, disassociate my sorrow and pain  
All distortions of hate, distortions of God  
Dissect, massacre, dissipate

Born again, born again  
(Life)  
Born again, born again  
(Peace)  
Born again, born again  
(Love)

I am not my own  
I am not my own  
I am not my own  
I am not my own

False hope in man  
False faith in myself  
False life adorned in destruction

Failed life in death  
Once ripped me open  
Now dissect, massacre

Born again, born again  
(Life)

Born again, born again  
(Peace)  
Born again, born again  
(Love)

I am not my own  
I am not my own  
I am not my own  
I am not my own  
My own, my own, my own
