Infamy Â– you lost your way again
This was the day, the day that you resigned
Infamy Â– this was not His design

I was yours, you were mine, cannot describe
I was yours, you were mine, this pain inside
Now I've turned to look Â– only a shadow remains
My land has been laid to waste
A drop of hope is all I taste

This is a reckoning of love
The calculation of my heart
This is a reckoning of love
The calculation of my death
No hope for return
You have brought infamy
No hope for return
Speaking grace solemnly

Depression Â– sets in
The serpent Â– stakes it's claim
Losing faith Â– what it means to be alive
The shadows all around me dance for sorrow

I was yours, you were mine, cannot describe
I was yours, you were mine, this pain inside
Now I've turned to look Â– only a shadow remains
My land has been laid to waste
A drop of hope is all I taste

This is a reckoning of love
The calculation of my heart
This is a reckoning of love
The calculation of my death
No hope for return
You have brought infamy
No hope for return
Speaking grace solemnly

This is a reckoning (reckoning)
This is a reckoning (reckoning)
This is a reckoning (reckoning)

This is a reckoning
