Do what you want to do  
Say what you want to say to me  
I know what you'd like to think of me

This is not real, it can't be real  
This thing I feel, you're threatened  
You're threatened, how can I not hate you?  
Hate you, how can I not be free? Be free

I know deep down inside  
How God reveals Himself  
I know deep down inside  
To know Him I must kill pride

Why do you care so much for me?  
What's in this for you?  
Why can't selfishness rule you?  
Like everybody else

Let go pride, let go pride  
Cannot deny, cannot deny  
This thing I feel, I feel inside

I know deep down inside  
How God reveals Himself  
I know deep down inside  
To know Him I must kill pride

I know deep down inside  
How God reveals Himself  
I know deep down inside  
To know Him I must kill pride

I know deep down inside  
How God reveals Himself  
I know deep down inside  
To know Him I must kill pride

I know deep down inside  
How God reveals Himself  
I know deep down inside  
To know Him I must kill pride

I know how God, I know how God  
I know, to know Him I must kill pride
