Hate me all the way as Iâ€™m fallin
Kicking me as Iâ€™m crawlin
Hate me

Just taking home a little shine
You should have seen the other guy
Stick around and stay awhile
And hit me on the other side

Fight! or Flight

Hate me all the way as Iâ€™m fallin
Kicking me as Iâ€™m crawlin
Beat on me as Iâ€™m stalling
Hate me..

Step it up or stand in line
When pavement seems to be the prize
I look at you and start to smile
Itâ€™s stupid but I love to fight

Fight! or Flight
