We sit calm now
We sit strong
Where the monkeys, where the show?
But if you come along
Yeah you'll be alright!
Some say that were back in school
Back in school we'll break the rules
Yeah we'll break the rules
But you'll be alright
We salute you
Where do all the dead-boys go?
Go, go, go, go
No solution, just bombs below
Where do all the dead boys go?
Go, go, go, go
Yeah!
Party town, yeah were black and blue
Party town, we'll pray for you
Were gonna win the war
Thats what you kids are for!
We salute you
Where do all the dead boys go?
Go, go, go, go
No solution, just bombs below
Where do all the dead boys go?
Go, go, go, go
No solution just bombs below
Yeah!
Go, go, go, go
We sit calm now
We sit stoned
Where the monkeys, where the show?
And if you come along
Yeah you'll be alright
We salute you
Where do all the dead boys go?
Go, go, go, go
No solution, just bombs below
Where do all the dead boys go?
Go, go, go, go
No solution just bombs below
