Glorified, you sought the wrong people
And God spoke, God spoke
Televised, you maul the five pleasers
All hail the son, all hail the sun

Citation, sanitation, you got cooperation
Glorified, you call the right people
You got your war, you got your war, yeah

I need to stop to be stopped
I need to stop to be stopped
I need to stop to be stopped
I won't stop for you, I won't stop for you

Calf-sized, you're taught to love people
Your numb before you're number four
Sterilized, you spike the raw needle
Your arm is sore, you're undersold

Institution, distribution, hollow contribution
Calf-sized, you're taught to love people
You got your war, you got your war, yeah

I need to stop to be stopped
I need to stop to be stopped
I need to stop to be stopped
I won't stop for you, I won't stop for you

I won't stop for you
(I need to stop to be stopped)
I won't stop for you
(I need to stop to be stopped)

I won't stop for you
(I need to stop to be stopped)
I won't stop
(I won't stop for you)
I won't stop for you

Yeah, I need to stop to be stopped
I need to stop to be stopped
I need to stop to be stopped

I won't stop for you, I won't stop for you

I won't stop for you
(I need to stop to be stopped)
I won't stop for you
(I need to stop to be stopped)

I won't stop for you
(I need to stop to be stopped)
I won't stop
(I won't stop for you)
I won't stop for you
