When God made Adam He made him Proud  
He wasn't happy till he made him howl  
He made him howl and then he made him moan  
He wasn't happy till he made him a home  
He said this for your people when them times get hard  
And this for your people who heavens left dark  
This for your people their days are numbered  
And this for their future the past has forgot  
He said now

Shake your shimmy Shake it Proud  
Shake Shake your shimmy Shake it loud  
Shake your Shimmy Shake it Proud  
Shake Shake your shimmy Shake it loud

When God make Eve He make her proud  
He wasn't happy till he made her howl  
He made her howl and then He made her moan  
He wasn't happy till he made her a home  
He said this is for your children when your blood runs cold  
And this is for the sin you brought your people  
She said you name is a myth lord  
Your love is a crime  
Oh life is just my gift while death's your surprise  
He said then

Shake your shimmy Shake it Proud  
Shake Shake your shimmy Shake it loud  
Shake your Shimmy Shake it Proud  
Shake Shake your shimmy you're the talk of the town

This for my people when them times are hard  
And this for my people who heavens left dark  
This for my people our days are numbered  
And this for our future that the past has forgot  
I said now

Shake your shimmy Shake it Proud  
Shake Shake your shimmy Shake it loud  
Shake your Shimmy Shake it Proud  
Shake Shake your shimmy you're the talk of the town
