[Gina Thompson]

The things you do... makes me, keep runnin, to you

(repeat 2X)

Baby baby baby

These feelings that I have

I can't explain, and I can't believe that it's you

The way you make me feel

makes me happy, so why can't we just make it last

The things you do... makes me, keep runnin, to you

(repeat 2X)

The love you give to me

turns me on inside, and I can't deny how I feel

Don't go, the things you do to me

makes me happy, so don't you take your love away

The things you do... makes me, keep runnin, to you

(repeat 4X)

Every little thing

Aowwww... keep on

The way that you walk

The way that you talk

The way that you, give your love to me

Don't ever take your love, away... baby don't you go-
