I look at you  
And time turns to fate  
And you smile to that boy that thinks to much  
I am broken in silence I, I adore you...  
But I wait for you

Without those words that you fear most  
And I breath out my name  
So loud on to you  
I'm loaded by you

And I'm broken by you...  
I'm broken by you  
I'm broken by you  
I'm broken by you  
I'm broken by you

The smile look a like  
Don't claim that you're better  
I don't speak out

Without those words that you fear most  
And I breath out my name, I would  
So loud on to you, I could  
I'm loaded by you

But I'm broken by you  
I'm broken by you  
I'm broken by you

Woah oooh oooh oooh

And still I'm losing you  
In everything you do  
I'm losing you

I'm broken by you  
Broken by you  
I'm broken by you  
I'm broken by you

Oooh oooh oooh oooh

I'm broken by you...
