And I don't know if you know  
But I am one of those  
Who looks like he can swim  
But sinks like a stone

I don't know if you can  
But I am one of them  
Always on the other side  
Always looking in

So open up the door  
And let me come back in  
Show me the secret to sink or swim

Wake me up tonight  
Make me come alive  
Bring me back with the kiss of life

Wake me up tonight  
Make me come alive  
Wake me up with the kiss of life

Looking back  
Back along the way  
As far as I can see  
A million different memories  
And all of you and me

What's taking you so long  
Let me come back in  
Show me the secret to sink or swim

Wake me up tonight  
Make me come alive  
Bring me back with the kiss of life

Wake me up tonight  
Make me come alive  
Wake me up with the kiss of life  
With the kiss of life

And I don't know if you know

But I am one of those  
Who looks like he can swim  
But sinks like a stone

So wake me up tonight  
Make me come alive  
Bring me the fire that keeps me alive

Wake me up tonight  
Make me come alive  
Wake me up with the kiss of life

Wake me up tonight  
Make me come alive  
Bring me back with the kiss of life

Wake me up tonight  
Make me come alive  
Wake me up with the kiss of life
