I've got my pajamas on
Before I go to bed I'm going to run around.
I'm standing on my head
And the world is upside down.

Me and Wilson, my teddy bear
We're going to do a lot of wiggling
Before we go upsairs
Watch out you lions you tigers you bears
I've got my pajamas on

Mommy said put 'em on
I said no
Daddy said let's go
I said all right
I'm clean, I'm warm, I'm out of sight
I've got my pajamas on

I'm in Daddy's lap, fading fast
Wilson, if you want to mess around
You'll have to do it alone
I love being little
And I'll love being grown
I've got my pajamas on.
