Somewhere over the rainbow, way up high
There's a place that I've heard of, once in a lullaby
Somewhere over the rainbow, bluebirds gonna fly
Birds fly over the rainbow, why, oh, why can't I?

Some day I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Away above the chimney tops
That is where, that is where you gonna find me

Some day I'll wish upon a star
And I'll wake up where the clouds are far behind me
Where troubles melt like lemon drops
Away above the chimney tops
That is where, that is where you gonna find me

And somewhere over the rainbow, bluebirds gonna fly
Birds fly over the rainbow, why can't I?
Over the rainbow
