Down in the boondocks down in the boondocks  
People put me down cause that's the side of town I was  
born in  
I love him he loves me but I don't fit in his society  
Lord have mercy on the girl from down in the  
boondocks

Every night I watch the lights from the house up on the  
hill  
I love a boy who lives up there and I know I always will  
But I don't dare go near his door cause his folks won't  
let me in  
So I have to try to be content just to see him whenever I  
can  
Down in the boondocks...  
[ rh.guitar ]  
One find day I'll find a way to move from this old shack  
I'll hold my head up like a queen and I never never will  
look back  
Until that day I'll save my love for the boy I'll soon call  
mine  
But tonight he'll have to steal away to see me one more  
time  
Down in the boondocks...  
Lord have mercy on the girl from down in the  
boondocks  
Lord have mercy on the girl from down in the  
boondocks
