I've got money marbles and chalk sweetheart but I still
feel like I am poor
Cause my money won't spend and my marbles won't
roll
And my chalk won't ride anymore

There's an old saying that's been all around I heard it
before I could walk
How some's got health and some's got wealth others
money marbles and chalk
I've got money marbles and chalk...

Now the money and marbles and chalk are all right for
a miser who loves only gold
But give me a chance to say my romance for I love you
with all of my soul
I've got money marbles and chalk...
