I wanna change my mind  
I'd rather fall behind  
I wanna lose control  
I'd rather drink alcohol  
I wanna hate you  
then love you  
cos I don't know what to do  
drugs stopped working when I was born  
my heart was torn

I lie awake  
I began to break  
The world is shakin  
And the glass are breakin  
I cried as I open the door  
bleeding my heart all over the floor  
Guess who you see?  
This is me

I wanna feel the smokes  
I wanna touch what I broke  
Open my eyes and tell me what happened why  
you feel so broken  
while your hair is fallen  
Smokes I breathe  
sighted with relieve  
it's me that I believe  
this is me

I lie awake  
I began to break  
The world is shakin  
And the glass are breakin  
I cried as I open the door  
bleeding my heart all over the floor  
Guess who you see?  
This is me  
I kissed your face  
we're over this place  
I began to break  
The world is shakin

And the glass are breakin  
I cried as I open the door  
bleeding my heart all over the floor  
Guess who you see?  
This is me

Don't you fuck people understand  
why you give innocent people a demand  
open the palm of your hand  
listen and don't pick your own certain choices  
I'm loosing and hearing your voices  
Yeaaaaaaaaaaaa.....  
yea yea yea

(guitar solo)

I lie awake  
I began to break  
The world is shakin  
And the glass are breakin  
I cried as I open the door  
bleeding my heart all over the floor  
Guess who you see?  
This is me  
I lie awake  
I began to break  
The world is shakin  
And the glass are breakin  
I cried as I open the door  
bleeding my heart all over the floor  
Guess who you see?  
This is me  
I kissed your face  
we're over this place  
I began to break  
The world is shakin  
And the glass are breakin  
I cried as I open the door  
bleeding my heart all over the floor  
Guess who you see?  
This is me  
I lie awake  
I began to break  
The world is shakin  
And the glass are breakin  
I cried as I open the door  
bleeding my heart all over the floor  
Guess who you see?  
This is me
