Verse:

Bad things happen when you hear my name  
Deny your attraction - but I've got no shame  
Sixteen will get you twenty, I've got you locked for life  
Don't even think about it, because baby I'm

Pre Chorus:

Not your girlfriend  
Not the girl next door  
Not your girlfriend  
I'll give you just enough and leave you wanting more

Chorus:

Jailbait  
I'm jailbait  
You try to stay away, but you can't obey  
Jailbait  
I'm jailbait  
You look, but you can't play  
Cause I'm jailbait

Jailbait  
I'm jailbait  
You try to stay away, but you can't obey  
Jailbait  
I'm jailbait  
You look, but you can't play  
Cause I'm jailbait  
Ja-ja-ja-ja-jailbait  
Ooh, they call me jailbait

Verse:

Craving sin, we walk a fine line  
A game I win, that word I define  
A teenage queen, right in front of you  
Illegal dream, killer to pursue

Pre Chorus:

Not your girlfriend  
Not the girl next door  
Not your girlfriend  
I'll give you just enough and leave you wanting more

Chorus:

Jailbait

I'm jailbait

You try to stay away, but you can't obey

Jailbait

I'm jailbait

You look, but you can't play

Cause I'm jailbait

Jailbait

I'm jailbait

You try to stay away, but you can't obey

Jailbait

I'm jailbait

You look, but you can't play

Cause I'm jailbait

Ja-ja-ja-ja-jailbait

Ooh, they call me jailbait

Bridge:

Bad things happen to those who (pray) prey

A basic instinct to die another day

Sixteen will get you twenty, lust criminally

Irresistible, that's why they call me...

Chorus:

Jailbait

I'm jailbait

You try to stay away, but you can't obey

Jailbait

I'm jailbait

You look, but you can't play

Cause I'm jailbait

Jailbait

I'm jailbait

You try to stay away, but you can't obey

Jailbait

I'm jailbait

You look, but you can't play

Cause I'm jailbait

Ja-ja-ja-ja-jailbait

Ooh, they call me jailbait
