"Lose You"

I don't wanna choose
I'd rather lose
when you've came by
I don't have to cry
don't let me pass it
Cos I know I won't fit
loosen all your mind
cos a girl like me is hard to find

Don't let them die
Kill, save a life
don't let them cry
don't let it dry
don't be so confused
I can't be so refused
I don't wanna be used
I'd rather lose
you

I don't wanna faint
when it's over the mysterious paint
when it's close to the edge
rather close the badge
I don't wanna pin
when you are within
cos I know they watch
when this life is gonna hatch

Don't let them die
Kill, save a life
don't let them cry
don't let it dry
don't be so confused
I can't be so refused
I don't wanna be used
I'd rather lose
you
Don't make me shake
I'd rather break
don't let them die
as tears goes by
don't be confused

I can't be refused
I don't wanna be used
I'd rather lose you....
lose you
lose you....

[spoken]
I know they'd tell us what to do
when my eyes died blue
I'm still on to you

While the tragedies burried down
while my injuries float up the clouds
I'm still gonna love you
whatever they do

Don't let them die
Kill, save a life
don't let them cry
don't let it dry
don't be so confused
I can't be so refused
I don't wanna be used
I'd rather lose
you
Don't let them die
Kill, save a life
don't let them cry
don't let it dry
don't be so confused
I can't be so refused
I don't wanna be used
I'd rather lose
you

I'd rather lose you
to make all this dissapear
I'd rather lose you
I hope that you can't hear
I'd rather lose you
I'd rather lose you
I'd rather lose you
Don't lose me
