"If I Kiss You"

If I kiss you will you go away?
Like in the game my mother used to play
You're so much hurt I wish you wouldn't stay
If I kiss you will you go away?

My mom would come when I got hurt at play
She'd kiss my hurt and it would go away
But now I'm grown, I don't know what to do
I've never known a bigger hurt than you
If I kiss you will you go away...

I've seen a kiss make sorrow disappear
A kiss can dry away the biggest tear
A kiss can make a heartache vanish, too
I don't see why it wouldn't work on you
If I kiss you will you go away...
