You just walked right up to me here at the table
Said you found somebody else that you love so
I won't try to stop you darling I'm not able
But let me ask you just one thing before you go
Did you have to bring that up while I was eating
Just to tell me that you're leavin' honey bunch
Did you have to bring that up while I was eating
Now you're gone with my appetite for lunch

Seems to me you ain't got no consideration
Seems to me you're only thinking of yourself
You sure picked particular time to conversation
Just to tell me that you love somebody else
Did you have to bring that up...

Oh to be so broken up like I thought I'd never
Yes my heart is blue and broken that's for sure
But with news like you are leaving me forever
Couldn't you have waited half an hour more
Did you have to bring that up...
Did you have to bring that up...
