Somewhere between your heart and mine there's a  
window that I can't see through  
There's a wall so high it reaches the sky somewhere  
between me and you

I love you so much I can't let you go and sometimes I  
believe you love me  
But somewhere between your heart and mine there's a  
door without any key  
Somewhere between...  
[ piano ]  
Somewhere between your heart and mine there's a  
love I can't understand  
It's there for a while then it fades like a smile and I'm  
left in the middle again  
Somewhere between...
