Well mama go a tippy tippy toeing through the house
Gotta see what's the matter with the baby
It's been a bawlin' and a squallin' and a kickin' on the
wall
A-well I guess it's dropped it's little bottle maybe
Oh daddy come a runnin' with the water and a rag
Gonna see another little diaper maybe
No need a hesitatin' or a wonderin' and a waitin' I know
what's the matter with baby
No need a hesitatin' or a wonderin' and a waitin' I know
what's the matter with baby
Oh mama rock a baby daddy rock a baby too it's a
yawnin' and a gettin' sleepy maybe
So mama keep a rockin' daddy rock a little too and at
last it's a sleeping little baby
[ac.guitar]
Well mama tippy toein' daddy tippy toein' too gonna try
to do a little sleepin' maybe
Whether it'll be a minute or an hour or two is depending
entirely on the baby
Well I hear the clock a ringin' just a dongin' and a
dingin'
Daddy go and make a little money maybe
Mama sleep a little longer but but while her daddy's
gone
Mama gonna have to take care of the baby after all it's
just a little bitty baby
Oh mama rock a baby...
And at last it's a sleeping little baby and at last it's a
sleeping little baby
