Kiara: In a perfect world
One we've never known
We would never need to face the world alone

They can have the world
We'll create our own
I may not be brave or strong or smart
But somewhere in my secret heart

I know
Love will find a way
Anywhere I go
I'm home
If you are there beside me

Like dark turning into day
Somehow we'll come through
Now that I've found you
Love will find a way

Kovu: I was so afraid
Now I realize
Love is never wrong
And so it never dies

There's a perfect world
Shining in your eyes

Both: And if only they could feel it too
The happiness I feel with you

They'd know
Love will find a way
Anywhere we go
We're home
If we are there together

Like dark turning into day
Somehow we'll come through
Now that I've found you
Love will find a way

I know love will find a way
