I parachuted down  
Into the Taj Mahal  
I rode a (-I don't know-)  
Along the great Great Wall!  
I even made the famous  
Leaning Tower fall,  
But who was with me through it all?  
Nobody!  
The Moscow Circus  
Hired me to fly trapeze  
On Mount Olympus,  
Ran a race with Hercules  
It's easy when you're chased by killer bees!!  
Who said "gesundheit" when I sneezed? \*ACHOO\*  
So now I'm home,  
Home again with you,  
You chase the clouds away  
Whenever I am blue

ALADDIN:  
("You're always blue!")

And the pyramids,  
I highly recommend  
There is nothing in the world  
Quite like a friend!  
Slept like a babe in Bombay  
On a bed of nails  
Moroccans set my fairy tales  
Of seven veils  
I single-handedly  
I even saved the whales!  
No one was there to hear my tales!  
In Acapulco,  
Joined a Mariachi band  
I rode the ragin' rapids  
Down the Rio Grande  
Flew in a air balloon,  
But when I tried to land  
Nobody laughed,  
Or lent a hand

Without you, the Amazon is  
Just a trickle  
Without you, the Sahara's  
Not so hot  
Without you, Niagara Falls  
Is just a leaky faucet  
And the Huey II  
Is just some yacht  
Now that I'm home,  
Home again, it's clear,  
All I ever wanted  
Seems to be right here  
I've traveled East and West  
And now, I'm back again  
And there's nothing in the world  
Quite like a friend..

ALADDIN:  
There's nothing in the world

JASMINE:  
Nothing in the whole wide world

There is nothing in the world  
Quite like a friend!  
Nothin' in the whole wide world!
