Not so long ago  
In a common hole  
Quick development  
Of a slow exchange  
And among this breed  
Rattled by the speed  
Came an out of place appeal  
God send me a blaze  
God send me a blaze  
God set me ablaze  
With the lines cut  
In a greedy way  
There's a low reply  
To a loud decay  
So the bug comes  
And it hollows all  
Til the light shifts  
And the room calls  
God send me a blaze  
God send me a blaze  
God set me ablaze
