What's that piece of ass I see walking over here?
What's that piece of ass to me? Who's she standing
near?
And when I walk on a cyclone
You should see it get rolling
Over my heart and emotions -- inside me
They go rolling inside me
Hold me close and never let me go
All my life I've wanted you to know a few things about
me
I feel beautiful today -- lovely, beautiful
Saturday Saturday Saturday Saturday Saturday
Saturday
What's on the heel?
Saturday Saturday Saturday Saturday
What's on the heel? What's on the heel?
And when I walk on a cyclone
You should see it get rolling
Over my heart and emotions -- inside me
They go rolling inside me
Put it on the stereo and play
All my life I've wanted you to say a few things about me
I feel beautiful today -- lovely, beautiful
Saturday Saturday Saturday Saturday Saturday
Saturday
What's on the heel?
Saturday Saturday Saturday Saturday
What's on the heel? What's on the heel?
And when I walk on a cyclone
You should see it get rolling
Over my heart and emotions -- inside me
They go rolling inside me
And when I walk it's a riot
You should see the commotion
A hundred people drowning in oceans -- inside me
They go rolling inside me
Inside me
Inside me
