The last time we made love you said my name to make  
me come  
But it was just a speaking offer  
It means nothing without your love  
Means nothing without your love  
Means nothing  
I can wake up any day  
And see a million things that I could say  
But then you're just an easy target  
It means nothing without your love  
Means nothing without your love  
Means nothing  
And nothing means nothing

Each time the world turns 'round  
It doesn't make a fucking sound  
It doesn't mean that we don't feel it  
It means nothing without your love  
Means nothing without your love  
Means nothing  
And nothing means nothing

So if you want to know if I love you so  
If you want to know if I love you so  
If you want to know if I love you so  
It's in my kiss, that's where it is  
It's in my kiss, that's where it is

Do you love me 'cause I am in the mood?  
Do you love me for a funky groove?  
Do you love me 'cause I can mash potato?  
Do you love me 'cause I'm an alligator?

Singing oooh, whoa, whoa  
Oooh, whoa, whoa  
Oooh, whoa, whoa  
Oooh, whoa, whoa

Do you love me 'cause I can walk on water?  
Do you love me 'cause I'm the President's daughter?  
Do you love me 'cause I am queen of England?

Do you love me just 'cause I'm sitting here singing?

Oooh, whoa, whoa  
Oooh, whoa, whoa  
Oooh, whoa, whoa  
Oooh, whoa, whoa

So if you want to know if I love you so  
If you want to know if I love you so  
If you want to know if I love you so  
It's in my kiss, that's where it is  
It's in my kiss, that's where it is

So the next time we make love  
Drop the words, just do the stuff  
Speak softly and use that big stick  
It means nothing without your love  
Means nothing without your love  
Means nothing  
And nothing means nothing to me
