Down, down, down  
Down, down, down  
Down, down, down  
Down, down, down

Butterfly lets her wing brush past your shoulder  
I know you know her around by the way she's so  
familiar

You keep bringin' me  
Down, down, down  
Down, down, down  
Keep bringin' me  
Down, down, down  
Down, down, down

All the time you were telling me you loved me  
You've been sleeping around  
And the shame of it hangs above me like a cloud

You're bringin' me  
Down, down, down  
Down, down, down  
Bringin' me  
Down, down, down  
Down, down, down

I'm hearing lies  
I'm feeling the sting of surprise  
I make myself stand up and leave  
And turn my back on your hollow pleas

Let it ride  
Let the wind blow past my shoulders  
Let the road like a ribbon unwind  
And the pain of it make me older

Let the world keep bringin' me  
Down, down, down  
Down, down, down  
Keep bringin' me

Down, down, down  
Down, down, down  
Down, down, down  
Down, down, down  
Down, down, down  
Down, down, down
