I woke up alarmed
I didn't know where I was at first
Just that I woke up in your arms
And almost immediately I felt sorry
'Cause I didn't think this would happen again
No matter what I could do or say
Just that I didn't think this would happen again
With or without my best intentions

And whatever happened to a boyfriend
The kind of guy who tries to win you over?
And whatever happened to a boyfriend
The kind of guy who makes love 'cause he's in it?

And I want a boyfriend
I want a boyfriend
I want all that stupid old shit
Like letters and sodas
Letters and sodas

You got up out of bed
You said you had a lot of work to do
But I heard the rest in your head
And almost immediately I felt sorry
'Cause I didn't think this would happen again
No matter what I could do or say
Just that I didn't think this would happen again
With or without my best intentions

And I want a boyfriend
I want a boyfriend
I want all that stupid old shit
Like letters and sodas
Letters and sodas

I can feel it in my bones
I'm gonna spend another year alone
It's fuck and run, fuck and run
Even when I was seventeen
Fuck and run, fuck and run
Even when I was twelve

You almost felt bad
You said that I should call you up
But I knew much better than that
And almost immediately I felt sorry
'Cause I didn't think this would happen again
No matter what I could do or say
Just that I didn't think this would happen again
With or without my best intentions

And I can feel it in my bones
I'm gonna spend my whole life alone
It's fuck and run, fuck and run
Even when I was seventeen
Fuck and run, fuck and run
Even when I was twelve
