Don't give me that sucker fish shit  
Your love life ain't that hurting  
And you always seemed to get what you wanted  
without flirting  
You're not the only one who's used to playing dirty  
And all I ever wanted from you is to leave me alone

So don't give me that sucker fish shit  
'Cause I'm not that strong a swimmer  
But I'm not afraid to be moving in a slower river  
You're not the only one who used to watch Speed Racer

The very first car in a race around the world  
Is somewhere in the middle of a race around the circle  
And the very first car in a race around the world  
Has got to wipe out somewhere  
Well, that somewhere isn't me

So don't give me that sucker fish shit  
'Cause I'm not getting younger  
And I'm not a floatable to keep you from going under  
And you're not the only one who used to watch Speed  
Racer

The very first car in a race around the world  
Is somewhere in the middle of a race around the circle  
And the very first car in a race around the world  
Has got to wipe out somewhere  
Well, that somewhere isn't me
