What's that piece of ass I see walkin' over here?
What's that little shiny thing?
Make it disappear.

And when I walk I'm a cyclone
You should see it get rolling
Open my heart and emotions rip outta me.
My emotions rip outta me.

Don't you want to kill her?
Knock her off her chair?
God, I think I will if she keeps playin' with her hair.

And when I walk I'm a cyclone
You should see it get rolling
Open my heart and emotions rip outta me.
My emotions rip outta me.

Hold me close and never let me go
All my life I've wanted them to know
A few things about me
I feel beautiful today

Today is Saturday
Saturday, Saturday, Saturday, Saturday
Saturday, Saturday, what's on the heel?
Saturday, Saturday, Saturday, Saturday
Saturday, Saturday, what's on the heel?

And when I walk I'm a cyclone
You should see it get rolling
Open my heart and emotions rip outta me.
My emotions rip outta me.

Put it on the stereo and play
All my life I've wanted them to say
A few things about me
I feel beautiful today
Lovely, I feel beautiful

I can't stand my self.
I can't stand my life.
I can't stand in these six-inch heels anymore.

And when I walk I'm a cyclone
You should see it get rolling
Open my heart and emotions rip outta me
My emotions rip outta me.

And when I walk I'm in high school
You should see the commotion
A hundred people drowning in oceans inside me
