Some say I've got devil
Some say I've got angel
But I'm just a girl in trouble
I don't think I'm in danger
Don't think I'm in danger
I know I'm not in danger

But some have tried to sell me
All kinds of things to save me from
Hurting like a woman
Crying like a baby
Something like a woman
Crying like a baby
And all the things that I have seen
While I fight me for a part in your dream
While I fight me for this dream
And though I'd like to tell them exactly how I'm feeling
Somehow the music hides it and conceals it
Hides it and conceals it
And oh, the things that I have seen
Can be hidden in the part of my dream
Gonna hide it from my dream

Some say I got devil
Some say I've got angel
But I am just this girl in trouble
I don't think I'm in danger
Don't think I'm in danger
I know I'm not in danger
