This one goes out to the one I love  
This one goes out to the one I've left behind  
A simple prop to occupy my time  
This one goes out to the one I love

Fire, fire

This one goes out to the one I love  
This one goes out to the one I've left behind  
A simple prop to occupy my time  
This one goes out to the one I love

Fire, fire

This one goes out to the one I love  
This one goes out to the one I've left behind  
Another prop has occupied my time  
This one goes out to the one I love

Fire, fire
