I looked for your bones in the woods
I looked for your bones in the woods
I looked for your bones or any sign of where you were
I looked for your bones in the woods

Listened for coyotes to stir Listened for coyotes to stir I listened for them To give up what they did Listened for coyotes to stir

Daydreamed of myself a warrior Daydreamed of myself a warrior I daydreamed myself Wild as them, for your revenge Daydreamed myself a warrior

I will look for you when I sleep
I will look for you when I sleep
Always look for you
Always want you curled to me
I will look for you when I sleep
Always look for you
Wanting you curled to me
I will look for you when I sleep
