What's that piece of ass I see walking over here?
What's that little shiny thing? Make it disappear
And when I walk I'm a cyclone
You should see it get rolling
Open my heart and emotions rip out of me
My emotions rip out of me

Don't want to kill her, knock her off her chair
God I think I will if she keeps playing with her hair
And when I walk I'm a cyclone
You should see it get rolling
Open my heart and emotions rip out of me
My emotions rip out of me

Hold me close and never let me go
All my life I've wanted them to know a few things about
me
I feel beautiful today

(spoken) Today is Saturday

Saturday Saturday Saturday Saturday Saturday
Saturday
What's on the heel?
Saturday Saturday Saturday Saturday Saturday
Saturday

What's on the heel?
And when I walk I'm a cyclone
You should see it get rolling
Open my heart and emotions rip out of me
My emotions rip out of me

Put it on the stereo and play
All my life I've wanted them to say a few things about
me
I feel beautiful today -- lovely, I feel beautiful

I can't stand myself, I can't stand my life
I can't stand in these six inch heels anymore
And when I walk I'm a cyclone
You should see it get rolling

Open my heart and emotions rip out of me
My emotions rip out of me

And when I walk I'm in high school
You should see the commotion
A hundred people drowning in oceans -- inside me
