I woke up alone
I didn't know where I was at first
Just that I woke up in your arms
And almost immediately I felt sorry
Cause I didn't think this would happen again
No matter what I could do or say
Just that I didn't think this would happen again
With or without my best intentions
What ever happened to a boyfriend
The kind of guy who tries to win you over
What ever happened to a boyfriend
The kind of guy who makes love cause he's in it, and
I want a boyfriend
I want a boyfriend
I want all that stupid old shit
like letters and sodas
letters and sodas
You got up out of bed
You said you had a lot of work to do
But I heard arrest in your head
And almost immediately I felt sorry
Cause I didn't think this would happen again
No matter what I could do or say
Just that I didn't think this would happen again

With or without my best intentions
I want a boyfriend
I want a boyfriend
I want all that stupid old shit
like letters and sodas
letters and sodas
I can feel it in my bones
I'm gonna spend another year alone
Fuck and run
Fuck and run
Even when I was seventeen
Fuck and run
Fuck and run
Even when I was twelve
You almost felt bad
You said that I should call you up but
I knew much better than that

And almost immediately I felt sorry
Cause I didn't think this would happen again
No matter what I could do or say
Just that I didn't think this would happen again
With or without my best intentions
I can feel it in my bones
I'm gonna spend my whole life alone
Fuck and run
Fuck and run
Even when I was seventeen
Fuck and run
Fuck and run
Even when I was twelve
