The six dick pimp is just doing his job
Making sure that business isn't going under
He's got the studs lined up in their stalls
Put a couple of bills in, see six minutes of balls

Justine's got a plastic baggie on her dick
Jerry's got a couple Prince Albert's through her prick
And nobody's in number four and number six
Put a couple bills in, man, you really shouldn't miss it

I don't care how much time it takes
I don't care what kind of money he makes
I just want my honey back
I'll be on my way
Gimme my boyfriend back

Thought you were smart
Thought I wouldn't leave home
Rented a car, now you're halfway to Idaho
Thought you were smart
Thought I'd leave you alone

But you have no idea what kind of hell is coming down
on you

I don't care how much time it takes
I don't care what kind of money he makes
I just want my honey back
I'll be on my way
You're gonna gimme my boyfriend back
You're gonna gimme my boyfriend back

Six dick pimp is just doing his job
Making sure that business isn't going under
He's got the studs lined up in their stalls
Put a couple bills in, man, you really shouldn't miss it
