You do me and you wind me up just to see me crack
Half the fun of being mean's to see me coming back
We've been through this so many times before
Shouldn't we be gettin' good at it?

I was happy to let you in my life
But you didn't even try to keep it alive
Come back to me
Don't you wanna find insanity with me?

I'm not gettin' through to you on the phone
Lately when you're not around you couldn't be more
gone
You're acting like you just turned 21 today

Struttin' in your new suit
You can't keep your mouth shut
But you don't have a single thing to say

I was happy to let you in my life
But you didn't even try to keep it alive
Come back to me
Don't you wanna find insanity with me?

Don't you love me anymore?
Don't you love me anymore?

I was happy to let you in my life
But you didn't even try to keep it alive
Come back to me
Don't you wanna find insanity with me?

Don't you love me anymore?
Don't you love me anymore?
