"Shallow Opportunities"

I don't understand you
You're just a man who talks at me
I'll just sit and take your pleasantry
Until you run out of things to run past me

I don't have a reason
I don't have a plan
I operate on instinct

I give you the best of me
My sexy sexy slight of hand

I'll wait right here
Till you get back

And take my shallow opportunity
If you can't guess that I'm hanging out to see
What you can do for me
Cause you were new to me
And that's what this game is all about (This game is all
about)
And that's what this game is all about (This game is all
about)
