Don't stray
Don't ever go away
I should be much
too smart for this
You know it gets the better of me
Sometimes when you and I collide
I fall into an ocean of you
Pull me out in time,
Don't let me drown, let me down
I say it's all because of you
Oh here I go
Losing my control
I'm practicing you're name
So I can say it to your face
It doesn't seem right
To look you in the eye
Let all the things you mean to me
come tumbling out my mouth
Indeed, its time
Tell you why
I say its infinitely true
Say you'll stay
Don't come and go like you do
Sway my way
Yeah, I need to know all about you
And there's no cure
And no way to be sure
Why everything's turned inside out
Instilling so much doubt
It makes me so tired
I feel so uninspired
My head is battling with my heart

My logic has been torn apart
And now it all turns sour
Come sweeten the every afternoon
Say you'll stay
Don't come and go like you do
Sway my way
Yeah i need to know all about you
Say you'll stay
Don't come and go like you do

Sway my way
Yeah, I need to know all about you
Its all because of you
Its all because of you
Now it all turns sour
Come sweeten every afternoon
It's time, tell you why
I say its infinitely true
Say you'll stay
Dont come and go like you do
Sway my way
Yeah, I need to know all about you
Say you'll stay
Dont come and go like you do
Sway my way
Yeah, I need to know all about you
Its all because of you
Its all because of you
Its all because of you
