I can't remember the last time that I felt good for more
than a
week
I mean really good for more than a month

Makes you wanna feel
Makes you wanna cry
Makes you wanna tear the stars from the sky
And you're halfway there, but you're halfway down
And you just can't get your ass out of town
And you can't back up cause you're against the wall
And it's the same goddamn thing I told you
Baby it's alright
Sometimes a dream is what makes you a slave
Baby it's alright

And I think that's what's happened to me
Cause I'm walking almost everyday blind
And I'm searching through my past

Makes you wanna feel
Makes you wanna cry
Makes you wanna tear the stars from the sky
And you're halfway there, but you're halfway down
And you just can't get your ass out of town

And you can't back up cause you're against the wall
And it's the same goddamn thing I told you
Baby it's alright
Sometimes a dream is what makes you a slave
Baby it's alright

Look around
Do you see anyone for themselves, like you see
yourself?
So why do you still feel so all alone?

Bubblegum, bubblegum in a dish
Bubblegum, bubblegum in a dish
How many pieces do you wish?
Bubblegum, bubblegum in a dish
How many pieces do you wish?

My mother told me to pick the very best one
And you're it
